

Collings Lakes Civic Association

Minutes from the August 3rd Zoom meeting are up on our website

Tier 2 representative Rick Sepe tendered his resignation from the board on August 3rd via email. We wish him well

As per our bylaws (4.9) this seat must be filled by another tier 2 resident in good standing. The current board members vote to add this representative.

On 8/24/20 the board met for an executive meeting, April Schauer had previously asked to be considered for the position via email. The board voted and added April to our board of trustees. We look forward to working with April and look forward to utilizing her expertise from the community management industry.

April will serve the unexpired term concluding in 2021.

April will be sworn in at our September meeting to formally accept her seat.

Requests for nominations have gone out via mail. They need to be returned by 9/16/20. The nominations will be added to the election tab of our website for your review. Ballots will be sent out in October by the election committee. CLCA members in good standing will be able to return 2 ballots per household.
