

Nell Woulfe

I am your current Tier 1 Representative filling a term for a board member who recently resigned. During the short time in my position, I have seen what the CLCA has accomplished with the completion of the Braddock Dam. I am now looking forward to being a part of the CLCA in the planning and completion of the Cushman Dam.

It would be a great honor to continue in this role, therefore, I have decided to run for the Tier 1 Representative position.

I am a resident of Folsom/Collings Lake and have been for the last 40+ years with a lakefront home.

My current Career as a Realtor/Broker Associate with Berkshire Hathaway Fox & Roach Realtors has given me the opportunity to help many Sellers and Buyers within our community obtain their dreams of home ownership since 1975.

Because of this I see how important our neighborhood is to all who reside within and want to continue to make everyone proud to be part of our wonderful community.

My goal as your Tier 1 Representative is to continue to reach out to all the lakefront residents and hear any ideas/suggestions you would like to share with me. I promise to take your ideas/suggestions seriously, to continue to make our community a better place to reside and raise your family and to reach your own personal growth.

My Current/Previous elected positions are as follows:

- Vice President of NJ Association of Realtors 7th District
- President/Treasurer/Secretary of Gloucester County Board of Realtors
- Committee Member of Professional Standards for the Gloucester County Board of Realtors
- Budget and Finance Committee Member of Gloucester County Board of Realtors

Thank you for your consideration and continued support. I look forward to serving and working with you.
