

Nicholas Ninfa

My name is Karen Ninfa and I would like to take this opportunity to nominate my husband Nick Ninfa to the position of Collings Lakes Civic Association Board of Trustees (Tier 2). I feel Nick would make an excellent member of the board for a variety of reasons. He is currently serving on the Board and has, in addition, filled in as the treasurer. Nick has lived in Collings Lakes for over 30 years, he is a dedicated outdoorsman and hiker, who spends many hours biking, hiking and walking our dogs in our neighborhood. He has a sincere interest in maintaining the unique nature of our neighborhood, making and keeping it a place for all to enjoy. Nick has organized a community clean up and is always willing to pitch in for a good cause. We have raised our family in Collings Lakes and would appreciate an opportunity to make our neighborhood a wonderful place to call home for others.
