

Shauna Schneeman

I am Shauna Schneeman. I am a local portrait and wedding photographer. My husband and I have 2 small children that love the outdoors and cannot wait to have our lakes back. Both mine and my husband's family have been Collings lakes residents for 3 generations. I am currently on the board as the Tier 2 Representative serving as secretary. I have a love for event planning and hope to have the opportunity to plan things for the neighborhood to enjoy together.
