

To Residents of Collings Lakes:

My name is Butch Pern and I have been a resident of this community for the past 35 years.

I believe I have the skills to be an asset to this community. I was a Shop Steward for the Local Union at Certain-Teed Fiber Glass Plant, then Treasurer, Vice President, President of the Safety Committee, and Chairman of the Grievance Committee. Working at Stockton College in the HVAC department, I became the Local Union Vice President for the maintenance department until I retired.

Thank you,

Butch Perna
