

Diane Simons- Rode

I'm running for Tier 2 Representative, I'd like to tell you a little bit about myself, I've been a resident of Collings Lakes since 1972! I'm a daughter, wife, mother, and grandmother of 5. I've enjoyed raising my family here, with the trips to the lakes for swimming, boating and fishing.

I strive to see families using our lakes and beaches as they once were.

I'm a previously board member, first in the 80's, and again in 2009 thru 2019 (this time working special events and fundraising committees – Save the Dams Benefit, Running Christmas Parties, 4th of July Bike Decorating Contest, Easter Egg Hunts, Flowers Sales, 50/50 tickets, Wawa Hoagie Coupons, just to name a few – Trying to give back and also to raise money to go towards the rebuild of our dams.

I'd appreciate your vote! So please, make sure you vote, and send your ballots back to be counted.

Thank you
