Reading of Minutes from Last Meeting

Henry read the minutes from the December 2023 meeting
Motion called, all board members voted to accept.

Dams Update-Beth Ann Grasso

Verizon easement information had been forwarded to their legal dept. and BethAnn will follow up as it has been in there for several months-Plan is to get this moving.

Discussed RDZ Change Order. Explained what is needed and scheduled to be on track to have water by summer. Beth Ann discussed why the Verizon lines went from being on poles to being run through the dam. The original plan was for Verizon to have the poles at 200 feet but NJDEP stated they had to be 250 feet and Verizon was not willing to push the poles back that far.

Annamarie asked regarding the other dams and Beth Ann explained what steps need to be taken to get the dams in motion- as specified in the Sept 18,2023 proposal.

Lynn Veneziale asked if the guardrails need to be removed for the accommodation of the trucks needed to do the testing. Beth Ann stated yes.

Charles Donahue raised his concerns regarding a possible collapse like what happened on Rte 42. Beth Ann explained that this is why they need to do the research to ensure that it doesn't happen. BethAnn explained what a peat layer is.

Communications

Call received regarding 304 E Collings Drive- Homeowner would like access to their property and use the easement to get on their property to place a modular home on the existing foundation. The board agreed they have no issues as the access road is a shared road to a certain point with the homeowner.

Old Business

Beth Anderson raised the question regarding the trees in the lakebed on Cushman Lake and the possible removal of them. AnnaMarie spoke on the fact that additional funding is needed to remove the trees in the middle of the lake. Steve stated that he would not approve any funds for the removal of the trees in Cushman Lake.

Diane Rode asked about the boat ramp off of 2nd Beach where there are trees in the way of anyone launching a boat, canoe, or kayak. Steve said that it can be looked into.

Donna asked exactly where we are at with the audit

George spoke that H&S had been provided documents and where they are at with it, he will follow up. George stated that the 2024 Budget had been approved by the 2023 Board- new board has to adopt, Steve stated that he and George will discuss at the February 5, 2024 meeting

New Business

Trustee Reports

Donna thanked the community for the Election turn out

Open Floor to Members Questions/Comments/Issues

Mr. Nodolski brought up his concern regarding an email request from H&S for his payment as he is selling his home and needing the confirmation that it was received. George, Steve and Lynn have a meeting set-up with H&S on Tuesday Jan 9th and will raise that question/concern to H&S

Butch Perna raised the question regarding the use of H&S. Steve stated that it would probably be 6 months since there are invoices out that need to be handled. This will be looked into to see how it goes.

H&S will not be handling our mailing or voting.

Steve Slimm thanked Steve Naegle for his I.T. work on our Website, FB, and Zoom meetings with In Person meetings. Steve brought up whether the community wanted to have meetings in July & August as they are the times when most go on vacations. Will leave that to be discussed.

Jennifer Meyer raised her concerns regarding the motorcycles/quads that are still traveling on the construction area and had stopped while big machines in use, however, they are back driving around again.

The same resident also raised a concern regarding the water flowing differently. Steve & Henry explained how the water needed to be diverted while working on the dam.

Fencing will be put up with large gates on both sides for Emergency Vehicles and it will be locked. Hopefully this will deter people from riding where they should not.

Work will continue on the dam as long as the weather is good.

Nell Woulfe spoke up regarding a fee for resale letters of around \$150. Annamarie LaRocca spoke up and said she would rather see the new resident set up fee increased instead.

H/O raised the question regarding moving the due date on Maintenance Fee payments. Steve stated he wishes to change some by-laws regarding it but doesn't see any potential issues with it but he will look into it.

A resident asked the question regarding in Person meetings & Zoom- The Board will do everything possible to have both each month.

Lifeguard was discussed and Steve did speak to him prior to today's meeting.

Concern was raised regarding water passing for 2nd Beach for swimming based on brush debris, however, water is only tested for E-Coli.

Resident Count: In person 13 residents not including the board and online was 10 residents not including the board members who accessed zoom
