

Hi Steve,

I am sending this e-mail as an informal approval from Dam Safety to proceed with the plan submitted to my office by Pennoni via email on June 13, 2024 entitled "Abandon Water Diversion Conduit" dated 03/25/2024, sheet 1 of 1. This is only approval to do the work associated with permanently removing sections/abandoning the four diversion pipes as depicted on the submitted plan by Pennoni.

I will issue formal approval mailed on letterhead once I receive all acceptable plans/details for all necessary modifications to the permitted plans.

If there are any questions, please feel free to contact me.

Thank you,  
Zach
