

COLLINGS LAKES CIVIC
ASSOCIATION, INC.
ELECTRONIC VOTING FOR ELECTION MEETING

DATE: October 9, 2025
TO: Collings Lakes Homeowners
FROM: The Board of Trustees
RE: Election Voting Electronically

Dear Owner,

In order to save the association money for mailing ballots for each election and owner vote, the board sought to amend the governing documents. The governing documents were amended in April of 2025 to allow electronic voting.

To implement electronic voting the board needs each owner to agree in writing to participate via electronic voting. In doing so you will not receive a paper ballot and easy to follow instruction for online voting will be provided for each election or owner required vote. This will save the association approximately \$4,270.00 each election or required vote.

Please indicate whether you will participate in the electronic voting by marking the appropriate box below.

☐ YES. I want to use electronic voting.

☐ NO. I want a paper ballot mailed to me.
